

Training Module Manual

From this module of Empress we can access the **Training Module** of the system.

At first we will have to create a training . To create a training we will have to go to this **Training Info** menu as indicated

This menu will take us to this page where we can see the created trainings and add training if necessary from the **ADD NEW** button

The screenshot shows the 'Training Info Summary' page. A red circle highlights the '+ Add Training' button in the top left corner. Below the button is a table with the following columns: Training Code, Training Name, Training Type, Training Category, Methodology, Learning Objective, Module, Debriefing, Target Group, Course Outcome/Measure, and Edit. The table contains one row of data for a training titled 'Business Communication'.

Training Code	Training Name	Training Type	Training Category	Methodology	Learning Objective	Module	Debriefing	Target Group	Course Outcome/Measure	Edit
BC	Business Communication	Internal	Behavioral Training	PowerPoint Presentation, Video Clips, Workshop	By the end of the session, learners will be able to: - have a clear idea about the professional formats of different types of business writings (e-mail, memo, report, letters etc.) - develop speaking skills in business context - learn polite language phrases to be used in business context - learn about positive and negative postures during meeting and formal conversation - overall improve their communication skills in English (written & spoken) maintaining professionalism		• Planning, Writing and Completing Business Messages • Writing Persuasive and Positive Messages • Finding, Evaluating, and Processing Information • Planning, Writing and Completing Reports and Proposals • Creating and Delivering Oral and Online Presentations	All Business Units	Test	

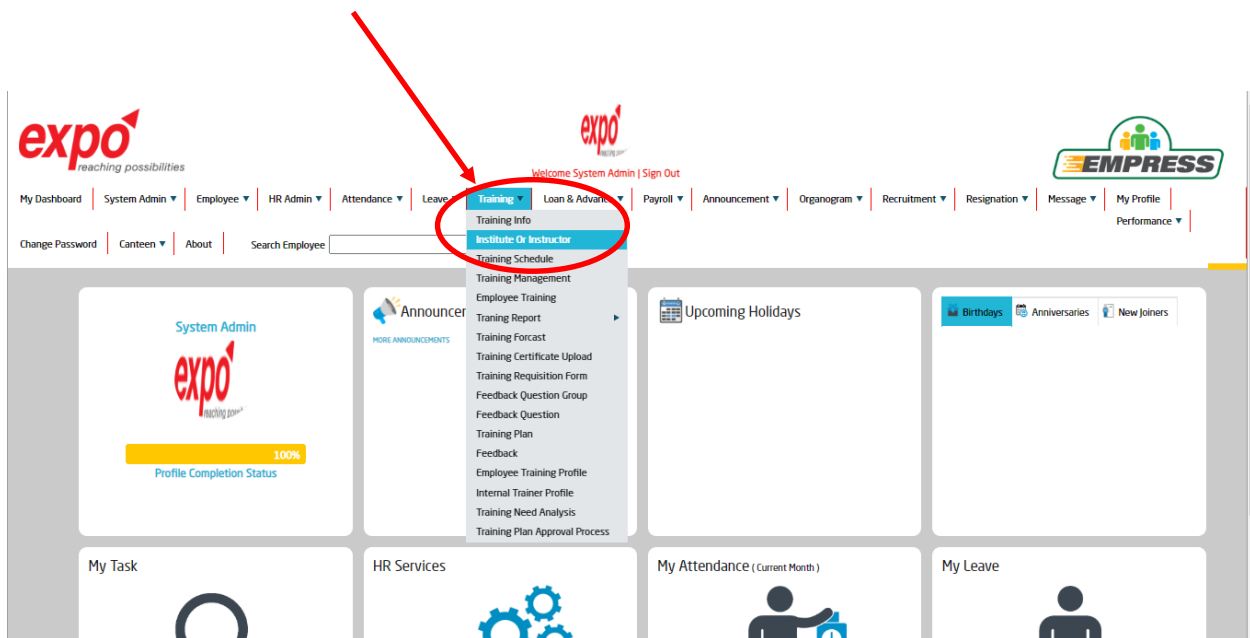

The **ADD NEW** button will take to this page. Where we can fill the details of a training & click **SAVE** to save the training.

The screenshot shows a web form titled "Training Info Details". It contains several input fields and dropdown menus for creating a new training record. The fields are as follows:

- Training Code:** A text box containing "OT". To its right is a checkbox labeled "Auto Generate Code:" which is checked.
- Training Name:** A text box containing "Orientation Training".
- Training Type:** A dropdown menu with "Internal" selected.
- Training Category:** A dropdown menu with "Behavioral Training" selected. To its right is a blue "+" button.
- Methodology:** A text box containing "PowerPoint Presentation, Video Clips, Workshop".
- Learning Objectives:** A text box containing "To feel the new joiners at home, the orientation programme has designed in the effective way to introduce them to the organization and our overview activities. This programme will enable new joiners to speed up the".
- Module Debriefing:** A text box containing "Management System (PMS) etc.". Below this text is a redacted line of text.
- Target Group:** A text box containing "All Business Units".
- Course Outcome/Measurement KPI:** A text box containing "1. Employees' comfort level, impressions, 2. Higher level of engagement". To its right is a text box with the placeholder "Please enter CourseOutcome".
- Course Outline:** A text box containing "Select Course Outline Document".

At the bottom of the form are two buttons: "Save" and "Clear".

Then we will need to create Trainers profile for training . To create Trainer we'll go to this menu **INSTITUTE OR INSTRUCTOR**.

This will take us to this page where we can view & create new Trainer from the **ADD CONDUCTOR** button.
